

Making a Difference.....

Helen and Russell Petty Media Center Fund

The family of Helen and Russell Petty decided to create an endowment fund to benefit the South Central Jr./Sr. High School Media Center as a way to honor their parents memory. Helen and Russell were not natives of Harrison County but grew to love the area and became active participants in the community. Described as "givers all their lives," Helen and Russell continue to give through their legacy.

Contact us to learn how to create a lasting legacy in your loved one's name.
