## *Matthew D. Faith Scholarship Fund*

*The family of Matthew Dale Faith chose to establish an endowment fund to provide scholarships for graduating seniors of Corydon Central High School who wish to pursue a career in the medical field as a way to honor his memory.*

*Matthew was a loving son and brother, devoted husband and father, and a loyal friend. He enjoyed working with his hands and dreamed of operating an automotive body shop. Even though Matthew died in an auto accident at the age of 28, his positive impact continues.*
